## Making a Difference

Crag House Farm is the headquarters of the Christian Charity, Caring For Life. The Charity seeks to support disadvantaged and adults at-risk here in Leeds, by providing therapeutic daytime projects here on the farm & giving practical support throughout life.

The Granary Restaurant, Farm Shop, Coffee Shop & Garden Nurseries are run as a very special social enterprise. Your custom plays a vital role in providing much needed income to help our Pastoral Support Workers provide love, care and in many cases life-long practical and emotional support. Your custom does make a difference.

If you would like to offer a contribution towards the work, please let your server know, who can then add it to the bill, or can facilitate a donation.
